Prakhar Kumar

Developer

HERE'S MY STORY:

My name is Prakhar Kumar. I'm an BE student at Dr. AIT Computer Science Department. I was born and raised in Kanpur,Uttarpradesh.

WORK EXPERIENCE

Projects

-PHARMACY MANAGEMENT SYSTEM USING DATABASE

- keeps tabs on pharmacy , customers and sellers in the area
- makes it easy for pharmacies to store customer information in database
- SQL used for database

-MAZE RUNNER

- game created using unity and C#
- autodesk maya used for animation
- players have to navigate through complex mazes to reach the final endpoint

-CUBE RUNNER

- game created using unity and C#
- blender used for animation
- gimp used for sprites

-INVISIBLE CLOAK PYTHON, OPENCV

- This detects the color of cloth and mask the area of the cloth with the background and make you invisible
- code in python
- html/ css / javascript for front-end
